IT IS SERIOUS.  
Some Great Bend People Fail to Realize The Seriousness.

The constant aching of a bad back, The weariness, the tired feeling, The pains and aches of kidney ills Are serious-if neglected. Dangerous urinary troubles follow. A Great Bend citizen shows you how to avoid them.

Mrs. A. Rothgarn, living at 1221 Twelfth St., Great Bend, Kans, says: "Before I began taking Doan's Kidney Pills I suffered a great deal from backache. It was almost constant and there was also a pain in the top of my head and spells of dizziness when I would stoop over. The kidney secretions were highly colored and often with a scalding sensation in the passage. I feel ever so much better since using Doan's Kidney Pills which I procured at A. & A. Drug Store, and feel that I can conscientiously recommend this medicine to my neighbors."

For sale by all dealers. Price 50 cents Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Miss Mattie Cheney was over from Claflin Sunday visiting her parents.

Albert Foster was here from Pawnee Rock today visiting his daughter Mrs. R. G. McDougal and family.

You will notice that while our Barton county people have invested a lot of money in western farm lands, that a small number have moved onto and occupy their newly acquired property. The fact of the business is that our Barton county farmers have been making money the last few years and in almost every case have bought land merely for the investment but prefer Bar on county as a home. Their investment in the western countries does not indicate a change of residence but does show that they have the money to buy.

## What Ails You?

Do you feel weak, tired, despondent, have frequent headaches, coated tongue, bitter or bad taste in morning, "heartburn," belching of gas, acid risings in throat after eating, stomach gnaw or burn, foul breath, dizzy spells, poor or variable appetite, nausea at times and kindred symptoms?

If you have any considerable number of the above symptoms you are suffering from biliousness, torpid liver with indigestion. Dr. Pierce's Golden Medical Discovery is made up of the most valuable medicinal principles known to medical science for the permanent cure of such abnormal conditions. It is a most efficient liver invigorator, stomach tonic, bowel regulator and nerve strengthener.

The "Golden Medical Discovery" is not a patent medicine or secret nostrum, a full list of its ingredients being printed on its bottle wrapper and attested under oath. A glance at its formula will show that it contains no alcohol, or harmful habit-forming drugs. It is a fluid extract made with glyce, triple-refined glycerine, of proper strength, from the roots of the following native American forest plants, viz., Golden Seal root, Stone root, Black Cherry bark, Queen's root, Bloodroot, and Mandrake root.

The following leading medical authorities, among a host of others, extol the foregoing roots for the cure of just such ailments as the above symptoms indicate: Prof. B. Bartholow, M. D., of Jefferson Med. College, Phila.; Prof. B. C. Wood, M. D., of Univ. of Pa.; Prof. Edwin M. Hale, M. D., of Hahnemann Med. College, Chicago; Prof. John King, M. D., Author of American Dispensatory; Prof. J. M. Scudder, M. D., Author of Specific Medicines; Prof. Laurence Johnson, M. D., Med. Dent. Univ. of N. Y.; Prof. Pinley Ellingwood, M. D., Author of Materia Medica and Prof. in Bennett Medical College, Chicago. Send name and address on Postal Card to Dr. R. V. Pierce, Buffalo, N. Y., and receive free booklet giving extracts from writings of all the above medical authors and many others endorsing in the strongest possible terms, each and every ingredient of which "Golden Medical Discovery" is composed.

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. They may be used in conjunction with "Golden Medical Discovery" if bowels are much constipated. They're tiny and sugar-coated.
